Rotary to Hear All About the Transit District

The public information man for the Alameda-Contra Costa Transit District will be the speaker of the day at next Tuesday's luncheon meeting of the Albany Rotary Club. The title of the talk will be, "The Transit District." The speaker is L. Bingham who will be the talk is a graduate of the University of California, member of the San Francisco Press and Union League Club. He has been a writer and editor of the Bay Area newspapers. He will be introduced by Joe Villa, chairman of the day. President of the Albany Rotary Club meets at Spenger's Restaurant on North Street, just north of University Avenue in Berkeley.

Second Rabies Vaccination Clinic Friday

Albany residents will be able to have their dogs vaccinated against rabies during a one day clinic at the Berkeley Animal Shelter, 2013 Second Street, Berkeley. The clinic will be held on Friday, July 8, between the hours of 4 to 8 p.m. The charge will be \$1.50 for each dog vaccinated.

Dr. Robert T. McMahon, Albany City Health Officer, reminds Albany dog owners that the state law currently in effect requires every dog over the age of four months to be vaccinated against rabies. The shots are effective from one and a half to two years, depending on the type of vaccine used.

"I urge every dog owner whose pet has not received rabies vaccination since 1958 to take advantage of this low cost clinic," Dr. McMahon said.

1960-1961 dog licenses will be available to Albany residents who wish to renew their old licenses at this time.

Chamber Chatter

By HEENE GROVE

July has started off with a "bang"—lots of activity planned for our city and your Chamber of Commerce.

The Fourth of July in Albany was a great day for family fun at Memorial Park. It was estimated that 1500 to 2000 Albany people enjoyed the many activities of the day. Congratulations go to the Albany Recreation Department for the planning and carrying out of the well planned program.

Special recognition should go to: the outstanding playground of craft display; to Kurt Freeman's physical fitness program; to the Musicians Union for providing the excellent band concert and to all those who helped to make the day a successful Albany Fourth of July.

Jaycee Vice President Ron Baird had the very pleasant duty of escorting Alice Burbage our Maid of Albany, to the Alameda County Fair at Pleasanton, Sunday. Alice was a lovely contestant at the Maid of Alameda County Contest and the Albany visitors to the contest were very proud of her.

Albany 'Y' Lists Activities for Summer Season

Sizzling with activities is the Albany YMCA summer program! Activities of physical fitness tests, gymnastics, tumbling, volleyball, code ball, striking bag, wrestling, judo and lobby games of ping pong, chess, checkers and an assortment of little tricks, singing songs, kangaroo court, talent show make up some of the summer thrills for boys and girls of grade school age.

A special group of young teenagers, under the direction of Linda Rinna, are learning baton twirling and majorette marching steps. Tumbling instruction is given Wednesday afternoon and evening. There are a few places open for the 3:00-4:00 and 4:00-5:00 p.m. groups for the 1-hour periods. There are also opening for teenagers for the 7:00-8:00 p.m. session.

The new craft room is scheduled to be put in operation by the 15th of July. This will fulfill a much demanded need and will provide opportunities for creative expression in craft skills.

A well-trained staff is supervising all activities—Geza von Martiny for tumbling, gymnastics and physical activities; Richard Schaefer assisting in the gym activities; Leslie Ruh teaching chess, checkers, and ping pong; Linda Rinna aiding with the girls' work; Leila Virzi, Nancy Willbanks, and Roger Rojas lobby supervision.

COUNCIL AT ODDS ON ZAHN RULING

The Albany City Council had a comparatively brief agenda for last night's meeting, but one item that was expected to come up, was not on the agenda. This was the Mayor's directive to city departments, issued on June 28, instructing the department heads not to use city employees at any time in carpentry or electrical jobs.

In view of this directive being headed "By order of the City Council," Councilman Lewis M. Howell issued a statement on June 30, which reads as follows: "Your attention is called to a directive issued by Mayor Zahn and sent to all department heads on June 28, 1960.

"I question the authority of Mayor Zahn or any other single council member to give such a directive to any Department Head.

"This order was not authorized by the City Council at the meeting held Monday night, June 27, and I therefore demand that it be rescinded immediately."

(Signed) Lewis M. Howell, Councilman.

In the past members of the city's departments have done a great deal of repair work in their slack periods and have saved the city many thousands of dollars over the years.

At the council meeting of June 27 where the matter of making emergency repairs on the city's buildings was discussed, it was thought advisable to authorize the city engineer to employ private contractors.

Police Chief Offers Advice To Residents

With the approach of summer vacations, the police department would again like to offer the following suggestions for those who are going to be absent from their homes:

1. Be sure to lock the house thoroughly.
2. Do not leave keys in a conspicuous spot.
3. Leave blinds or shades open.
4. Stop milk and paper deliveries. Call the companies—don't leave notes.
5. Arrange with neighbors to pick up advertising material.
6. Arrange to have someone mow and water lawns, if the stay is extended.
7. Do not leave notes informing possible visitors that you are on vacation.
8. If possible, leave a key with a neighbor.
9. Don't tell strangers, such as salesmen, solicitors, etc., of your intentions of being away from home.

Failure to follow any of the above suggestions may be an invitation to the burglar, who is looking for vacation homes.

Adult Tumbling At Albany YMCA

The Albany YMCA is now ready to provide tumbling instruction for adults who wish to learn bouncing and acrobatics. The class will be limited to 10 men or women to be held on Wednesday evening between 8-9 p.m. For information phone LA. 5-4833.

Smash Comedy 'South Pacific' to Have Brief Run at Woodminster Theater

A double decade of entertainment is represented in the Woodminster Amphitheater production of "South Pacific." Rodgers and Hammerstein's smash musical comedy currently launching the summer season at the famed outdoor show spot in Oakland's Joaquin Miller Park.

The presentation, under the direction of veteran producer-director John M. Falls of the Oakland Light Opera Association, first of all celebrates the opening of the 10th anniversary season of the popular Woodminster Light Opera Series, initiated under Falls back in 1951. Likewise, "South Pacific" itself, which was first seen on Broadway on April 7, 1949, is just past the first decade of its own existence, and still going strong—in fact, many have called it "a classic of its own times."

Indeed, wherever it is seen, the vital human warmth of "South Pacific" always regenerates itself, to be witnessed by many an audience member who has seen it again and again, never failing to be entertained by its magnetic appeal. Much of that appeal lies in the heartwarming story line of the musical, fashioned from

James A. Michener's Pulitzer Prize winning collection of short stories, "Tales of the South Pacific." It describes the trials, tribulations, romances and high comedy of service life on a remote island outpost during World War II—a world alive with prank-loving sailors, pretty Navy nurses, French planters and whacky island "characters."

The Woodminster production, which is handsomely showcased on the mammoth outdoor stage with a natural setting in the East Oakland Hills, marks the initial debut of the famed Broadway musical in this area.

"South Pacific" will be repeated July 8, 9, 15 and 16th at 8:30 p.m. Tickets are on sale at Sherman Clay, Oakland; House of Music in Hayward, and at the theater box office after 7 on show nights.

Matinees 'Big Time' For Small Fry

The Vista P-TA sponsored season vacation matinees are a big success at the Albany Theater. Three hundred to 450 children attend these shows every Wednesday from 1 to about 4 p.m. Every Saturday there is a different show on the matinee and this week Saturday "The Yearling" starring Gregory Peck and Jane Wyman, in color will be shown.

The first release of Michael Todd's "Around the World in Eighty Days" at regular prices is the top attraction now of a unique show which includes the 1960 Academy Award short, made in France in technicolor, "The Golden Fish." This latter is a satire in pantomime by the producer of "The Red Balloon," also a French release.

On this same show will be seen Walt Disney's adventure behind the satellites or titled "Eyes in Outer Space," also in technicolor. The show will start on week nights with the featurettes at 7:15 and Around the World in 80 days, a three-hour film, will show only once starting at 8:15; the short features will be repeated.

**"All this on my account?"**

says Janet Blair

Us: Well—ah—actually, Miss Blair, we do this on everybody's account.

Janet: You mean there are 59 services available to everybody with a Savings Account at Bank of America?

Us: Sure. Everything from cashing a check to financing a swimming pool. And don't forget there's also the extra safety and availability of your funds to be considered.

Janet: That's wonderful! Where else could you get all these extra services except at a bank. I bet you'd even help me if I wanted to replace my furniture, wouldn't you?

Us: I'm sure we could make some sort of arrangement.

Janet: Well that's just fine, because I'd like the piano over there, and then the big table will go under the window and.....

Day, Evening Gym Classes for Women

The 7-week Summer Session of the Albany Adult Education Center, 603 Key Route Blvd., extending from July 5 to August 20, includes both day and evening Physical Conditioning classes for women. All are open to the enrollment of adults regardless of residence, and all are taught by Miss Jeanne Billings, regular physical education instructor at Albany High.

On Wednesday evenings, two classes in Gym-Swim are offered, one at 6:15 and one at 7:15. Students may attend only the 1-hour gym class or they may follow it by attending one of the scheduled swimming classes at either 7:30 or 8:30.

A day Gymnastics class will be held on Wednesdays, 9:30 to 11:30; an evening class, on Mondays, 7:30 to 9:30.

Miss Billings' Wednesday classes will start July 6; her Monday class, July 11.

The classes are designed to improve posture, control problems of weight, and develop agility and flexibility.

Albany Center Offers French, Italian, Spanish

Three foreign languages, French, Italian and Spanish, will be offered at the 7-week Summer Session of the Albany Adult Education Center, extending from July 5 to August 20. These classes, all open to the enrollment of adults residing in or out of Albany, are held at the Albany High School building, 603 Key Route Blvd.

Classes for beginners will be held in both Italian and Spanish; only semi-intermediate and intermediate French will be offered. Mrs. Julia Kiser will teach both levels of French on Tuesday evenings, 7 to 10.

Italian for beginning students is scheduled for Thursday evenings, 7 to 10, with Dr. Vittorio Valenza as the instructor. A class for students with some knowledge of the language will be offered on Tuesday evenings, 7 to 10, starting July 12, if there is sufficient interest. Those interested in this second class should attend on Thursday evening, July 9, at which time it will be decided whether the second class will be started.

Dr. Valenza, while covering essential Italian grammar, will place special emphasis on the conversational phases of the language. In addition, he will, through lecture and panel discussion, cover segments of Italian music, art, history, customs and literature.

Three evening Spanish classes, all taught by Hugh Cave, will be offered. The class for beginning students is scheduled for Thursday, 7 to 8:30; that for intermediates, Thursdays, 8:30 to 10; and a third for more advanced students—those with a reasonably good knowledge of the language—Tuesdays, 7 to 10.

In all of his classes, Mr. Cave, while well covering fundamental grammar, primarily emphasizes practicing and perfecting conversational Spanish.

Gasoline Tax Revenue Up Over Last Year

A record total of \$32,080,631 in State gasoline tax revenues has been apportioned to the 364 incorporated cities in California for city street work during the past fiscal year, State Highway Engineer J. C. Womack announced today.

This is \$1,637,078 more than last year's record \$30,443,553.

The total apportionment to Albany for city street work for the fiscal year ending June 30, 1960, was \$51,970.54.

This amount is the revenue from five-eighths of a cent per gallon out of the State gasoline taxes paid by highway users. It is apportioned by the State Division of Highways from the State Highway Fund on a population basis as specified by State law.
